## "Extras" to add to above\*\*

1. CD or Video Gift Bags - A great alternative or addition to your own party bags! Daffy Dave's CDs and video (described at [www.daffydave.com](http://www.daffydave.com)) are very popular and well-liked. CDs include many of Daffy Dave's silly songs and stories. The video features the "Best Of" Daffy Dave's mid-peninsula cable show, "Daffy Dave's Tree Fort." Gift bags are yellow with red Daffy Dave logo. CD/Video gift bags also include a few prizes like glitter tattoos, spin tops, jumping frogs, etc.

2. Balloon Sculptures - (for 20 or fewer children) Daffy Dave leads children in "The Balloon Sculpture Game Show" where children guess the answer to questions from Winnie-the-Pooh, Toy Story, etc. and "win" their balloons (until everyone gets one). Prevents boredom of long lines. Children pick color of balloons and shapes like dog, butterfly, airplane or sword. Daffy Dave writes each child's name on balloon and places them in large bag until end of the party to prevent premature popping and loud horseplay. Daffy Dave inflates and shapes six to eight additional balloons in case some pop. Parents (or Dave) hand out balloons at end of party.

## Notes:

\*for shows outside the SF/SJ peninsula area, a travel service fee applies.

\*\*adding extras to package will add time to shows depending on number of children. For balloons, an additional fee applies per child above maximum group size (20 children)
